## Kyun Ki Saans Bhi Khabhi Bahu Thi - A MIL -DIL Bonding Over Contraception

We have often seen women coming with their Daughter-In-Law (DIL) to avail family planning services. However, in Ajmer during Unlock 1, we witnessed a comforting change when a 28-year-old DIL brought her 41-year-old Mother-in-Law (MIL), Saroj, to FRHS India's fixed-day service to avail sterilisation services. Lakshmi had previously undergone tubal ligation at FRHS India's Ajmer clinic and was highly satisfied with the services and quality of care. This shift brought much cheer to the service delivery team. Saroj shared, "**Women at various reproductive ages need family planning, and when bahus manage to empower older women in the family to make autonomous decisions regarding their reproductive choices, it improves things for the entire family.**"

## Awards and Recognition

Conferred the Best NGO in Family Planning by the Government of Rajasthan - 11th time in a row.

In 2022, we were conferred 10 district-level awards for our contributions to family planning.
